UNITED STATES DISTRICT COURT  
NORTHERN DISTRICT OF CALIFORNIA

SINCO TECHNOLOGIES PTE LTD.,  
Plaintiff,  
v.  
SINCO ELECTRONICS (DONGGUAN)  
CO. LTD., et al.,  
Defendants.

Case No. 17-cv-05517-EMC

**SECOND ORDER RE SPECIAL  
MASTER**

Docket No. 217

On May 24, 2019, the Court issued an order regarding the appointment of a special master for discovery matters. *See* Docket No. 217 (order). In the order, the Court identified multiple issues for the parties to address. In response, the parties addressed, at best, one (*i.e.*, whether a special master should be appointed). The Court hereby orders the parties to address **all** issues identified in the Court's order of May 24. Regardless of the parties' views as to whether a special master is warranted, the Court still has an interest as to their positions on all issues, especially as there is at least one open discovery matter still pending before Judge Spero. *See* Docket No. 212 (letter brief). The parties' response to this order (which shall consist of a joint filing) shall be filed by 9:00 a.m., June 5, 2019.

**IT IS SO ORDERED.**

Dated: June 3, 2019

  
EDWARD M. CHEN  
United States District Judge
